

Freed Formats: the book reconsidered is a traveling exhibition of 135 works of book art from 53 artists representing 17 US states and 2 countries. Freed Formats will appeal to all ages. Each person has a different feeling about what a book means to them, and book art engages anyone who has ever read, written or, for that matter, just held a book in their hands.

Freed Formats opens on March 30, 2019 and closes April 28, 2019
